OUR SEAFOOD
With the majority of our seafood being caught by local WA fishing families, we're proud to say that almost all of our seafood is sustainably sourced where possible. We'll always be 100% transparent about the origins of our fish, what's sustainable, and what could be improved. That's because we're obsessed with working towards healthier oceans, more sustainable seafood, and supporting local.

OUR OILS
Our oil is vegan and we clean and filter our oils daily to ensure a delicious fresh taste.

ALLERGY & GLUTEN QUESTIONS
All our food is prepared in one kitchen and we cannot guarantee any gluten-free, nut-free or vegetarian meals.

KEY
LGO **Low Gluten Option** This means the ingredients are gluten-free but are cooked in the same fryers, grills and kitchen as gluten products. When ordering, simply request the Low Gluten Option.

100% **100% Aussie Seafood Sustainably Sourced**

MSC Certified **MSC Certified** When our seafood isn't from Australia, we make sure we get the best sustainably caught options. Choosing seafood with the MSC blue label allows you to enjoy eating seafood knowing you've made a positive choice to support well-managed, sustainable fisheries. These fisheries are pioneering new ways to conserve the marine environment.
